

# Statement of ULEF Exemption

## Tyumen Plywood Plant Ltd

Tyumen, Russia

PFS TECO Mill No. 3-578

Composite wood products made under a ULEF exemption from the California Air Resources Board (CARB) are exempt from the certification, quarterly surveillance testing, and quality control testing requirements of the CARB and EPA regulations and comply with CARB Phase 2 and TSCA Title VI.

**CARB Regulation:**

**Title:** *Airborne Toxic Control Measure to Reduce Formaldehyde Emissions from Composite Wood Products*

**Regulation:** Sections 93120-93120.12, California Code of Regulations

**Supporting Documentation:** CARB Executive Order N-19-383

**EPA Regulation:**

**Title:** *Formaldehyde Standards for Composite Wood Products*

**Regulation:** Part 770, United States Code of Federal Regulations, title 40

**Supporting Documentation:** Section 770.18(e) of the EPA regulation states that products exempted by CARB will also be considered exempt from the EPA regulation.
