

Statement of ULEF Exemption

JSC SVEZA – Novator

Novator, Russia
PFS TECO Mill No. 3-567

Composite wood products made under a ULEF exemption from the California Air Resources Board (CARB) are exempt from the certification, quarterly surveillance testing, and quality control testing requirements of the CARB and EPA regulations and comply with CARB Phase 2 and TSCA Title VI.

CARB Regulation:

Title: *Airborne Toxic Control Measure to Reduce Formaldehyde Emissions from Composite Wood Products*

Regulation: Sections 93120-93120.12, California Code of Regulations

Supporting Documentation: CARB Executive Orders [N-17-091](#) and [N-17-092](#)

EPA Regulation:

Title: *Formaldehyde Standards for Composite Wood Products*

Regulation: Part 770, United States Code of Federal Regulations, title 40

Supporting Documentation: Section 770.18(e) of the EPA regulation states that products exempted by CARB will also be considered exempt from the EPA regulation.
